Instruction Manual

ProTracker™

Train Mounted Device to give Advance Warning of Approaching Trains

101601-71

The ProTran1 ProTracker™ Train Device (TD) is designed to be mounted in the cab of a train and will alert the operator by an audible and visual alarm to personnel near the train tracks.

The ProTran1 Personal Alert Device (PAD) Is a handheld device to automatically send and receive digital commands to/from the ProTran1 ProTracker Train Unit. This unit will alert the track worker, Inspector or Track Walker by an audible/vibrating alarm to an approaching train.

The ProTran1 Portable Warning Horn and Light (PWHL) can be placed in the work zone to alert work crews of approaching trains.

Operation

Consult ProTran1 for Detailed Operating Instructions.

INSTALLATION

Consult ProTran1 for Detailed Installation instructions.

LIMITED WARRANTY STATEMENT

ProTran1- branded products purchased in the U.S. or Europe come with a limited warranty ; if properly used and installed, will be free from defects in material and workmanship for a period of 1-year after date of purchase. The warranty period is not extended if we repair or replace a warranted product or any parts. Said warranty to include the repair or replacement of defective equipment.

What is not covered by this limited warranty?

This limited warranty does not cover:

Damage due to external causes, including accident, problems with electrical power, and usage not in accordance with product instructions, misuse, neglect, alteration, repair, improper installation, or improper testing.

This limited warranty, and any implied warranties that may exist under state law, apply only to the original purchaser of the equipment, and last only for as long as such purchaser continues to own the equipment. This warranty replaces all other warranties, express or implied including, but not limited to, the implied warranties or merchantability and fitness for a particular purpose. ProTran1 makes no express warranties beyond those stated here. ProTran1 disclaims without limitation, implied warranties of merchantability and fitness for a particular purpose. Some jurisdictions do not allow the exclusion of implied warranties so this limitation may not apply to you.

To obtain warranty service, contact ProTran1 for a return material authorization. When returning equipment to ProTran1, the customer assumes the risk of damage or loss during shipping and is responsible for the shipping costs incurred.

Refer to the “Service and Support” for Service and Maintenance contracts ProTran1 offers to the customers.

ProTran1

Legislation requires that all protective equipment be tested at least once a year for compliance with ProTran1 specifications and to industry standards. Ensuring your safety equipment meets or exceeds the highest standards reduces the costs of lost-time accidents. ProTran's independent testing facilities are fully industry compliant.

Refer to the "Service and Support" for Service and Maintenance contracts ProTran1 offers to the customers. We strongly recommend this service to all our customers.
